

Class 10, UHS Speed Class 3 (U3)¹
64GB and 128GB*

SanDisk Extreme PRO[®] microSDXC[™] UHS-II Card with USB 3.0 Reader

Breakthrough speeds for dramatically reduced transfer times

Highlights

- Save time with breakthrough transfer speeds of up to 275MB/s**
- Class 10 and UHS Speed Class 3 (U3)¹ ratings for capturing Full HD and 4K Ultra HD video²
- From 64GB to 128GB* capacity to shoot and save high-resolution videos and stills
- USB 3.0 reader included for convenient transfer
- RescuePRO[®] Deluxe file recovery software (subscription offer)³

Take great videos and offload them faster than ever before.

Race. Recover. Repeat. Whether you just captured the highlights of your marathon, shot your fastest time down the mountain, or took a bounty of photos on a three-week safari, when it's all said and done, what you want is to see your stuff. Fast. With the SanDisk Extreme PRO[®] microSDXC[™] UHS-II Card, you can now get to your videos faster than ever before. Use the included USB 3.0 reader for convenient transfers and take the bottleneck out of enjoying even your most massive 4K Ultra HD video files². Finally your memory card can keep up with you and your lifestyle! So you can spend less time sitting at the computer and more time careening down mountains, catching waves, jumping out of planes, or whatever else you love.

SanDisk[®] products are constructed to the highest standards and rigorously tested. You can be confident in the outstanding quality, performance and reliability of every SanDisk product.

Built for extreme conditions

Whether it's on a mountain top, in the desert or underwater, extreme adventures put you in extreme environments. SanDisk microSD memory cards are engineered and tested to withstand the challenges your adventures dish out—they're waterproof, temperature proof, shock proof⁴, so you'll never miss those heart-in-mouth moments. Photographers worldwide trust SanDisk.

4K Ultra HD and Full HD Video Capture

This card's Class 10 and UHS Speed Class (U3) ratings allow you to record smooth Full HD or 4K Ultra HD video². This means your videos can meet the latest high-resolution standards and will look stunning on 4K Ultra HD TV screens and monitors.

USB 3.0 Reader Included

Looking to offload lots of large files? Use the included USB 3.0 reader for convenient transfers to your laptop or computer.

Durable Design for Use in Extreme Environments

SanDisk Extreme PRO microSDXC UHS-II Cards are shockproof, temperature-proof, waterproof, and X-ray-proof⁴, so you can enjoy your adventures without worrying about the durability of your memory card.
