My Cloud™
Personal Cloud Storage

Save everything.
Access anywhere.

- A cloud of your own
- Shared storage and backup
- Anywhere access

Save everything in one place and access it from anywhere with blazing-fast performance. Get abundant storage without paying monthly fees. And with direct file uploads from your mobile devices, all your important data is safely stored at home on your personal cloud.

My Cloud
Personal Cloud Storage

Product Features

Your own personal cloud
My Cloud allows you to keep all your content in one safe place at home or your office. No monthly fees. No limits.

Centralize your media collection
Store and organize all of your photos, videos, music and important documents on your home or office network.

Access from anywhere
Enjoy your digital life from anywhere on your PC and Mac® computers, tablets or smartphones with MyCloud.com or My Cloud app.

Automatic file backup for all your computers
Easily back up the files from all the PC and Mac computers in your home or small office.

Flexible backup options
Enjoy peace of mind with WD SmartWare™ Pro for PC users and Apple® Time Machine® for Mac users to protect your data.

Expand your tablet and smartphone storage
Upload photos and videos directly to your personal cloud from anywhere and free up space on your mobile devices.

Connect to Dropbox™ and more
Easily transfer files between your personal cloud, Dropbox and other cloud accounts using WD's My Cloud mobile app.

Increase your personal cloud capacity
Simply attach a compatible USB 3.0 hard drive directly to the USB expansion port on the My Cloud drive and instantly expand your storage capacity.

Transfer and access faster
Gigabit Ethernet and a Dual-Core processor deliver blazing-fast file transfers and seamless remote access.

Unleash your media
Seamlessly stream your videos, photos and music to your connected TVs, media players, gaming consoles and other DLNA®-certified devices.

Password protection for privacy
Help keep your content safe and completely under your control. Protect your personal cloud from unauthorized access with password protection available for every user.

Set up in minutes
Get up and running in minutes with WD's rich web-based user interface for seamless, web-guided setup.
