## Product Features

### Expand your PS4™ gaming experience

Expand the capacity on your PlayStation 4 console's hard drive by up to 4TB with the My Passport™ portable drive. That's enough room for as many as 100 PS4 HD games or up to 40 PS4 Pro 4K games.\*

\*Number of games based on a 36GB average per PS4 HD game and 90GB average per PS4 Pro 4K game. The number of games will vary based on file size, formatting, other programs and factors.

### Fast and easy setup

Connect the My Passport™ USB 3.0 drive to a PS4 console using a USB 3.0 cable. With some quick formatting, you're game-on in next-to-no time

### Play anywhere

Take your games with you to play on other PlayStation™ 4 consoles, like at a friend's house. With games loaded on the My Passport™ portable drive, there's no need to re-download or reinstall. You'll save tons of time! Be sure you have an internet connection (it's required) and are logged into your PSN account.

Note: If game was purchased and loaded from disc, original discs may be required to verify ownership.

### WD reliability

WD wants your gaming experience to be the best it can be. The My Passport™ portable drive is tested by WD for gaming on the PS4™. Our drives are built for durability, shock tolerance, long-term reliability, and backed by a 3-year limited warranty. See <http://support.wdc.com> for regional specific warranty details.
