Product features

Slim style.

The My Passport™ drive features a convenient, slim form factor and is available in a range of vibrant colors.

Locked down.

The My Passport™ drive's built-in 256-bit AES hardware encryption with password protection helps keep your digital life's contents secure. Just install our software² and set your password to activate password protection.

Ongoing confidence.

There's no telling what's ahead in your own journey. That's why WD® builds drives to demanding requirements for durability and long-term reliability. On top of that, it comes with a 3-year limited warranty³.

Backed up.

The My Passport™ drive comes equipped with backup software² to help make sure everything you create while on your own life journey - photos, videos, music, and documents - doesn't get lost. You can set it to run automatically to your schedule. Just pick the time and frequency to back up important files from your system onto your My Passport drive.

Super easy.

My Passport™ portable storage is ready right out of the box with the necessary cable. And with SuperSpeed USB (5Gbps), you can quickly start backing up everything in your life and keep driving forward.
